

July 21th – July 28th 2019 Federal University of Technology –Paraná

DebConf is the annual developers' Conference of the Debian Project, one of the largest Free Software projects worldwide. Debian is non-commercial and vendor-independent. DebConf allows developers from all over the world, who all volunteer their time, to gather once a year and concentrate on the development and improvement of the Debian distribution. In 2019, DebConf will be hosted in Curitiba, Brazil.

Become a DebConf19 sponsor

DebConf is organized solely by volunteers; no Conference fee is asked of the participants in general. Thus, DebConf depends on sponsors and donations.
