DebConf 21 Haifa

August 22rd – August 28th 2021
University of Haifa

DebConf is the annual developers' conference of the Debian Project, one of the largest Free Software projects worldwide. Debian is non-commercial and vendor-independent. DebConf allows developers from all over the world, who all volunteer their time, to gather once a year and concentrate on the development and improvement of the Debian distribution. In 2021, DebConf will be hosted in Haifa, Israel.

Become a DebConf21 sponsor

DebConf is organized solely by volunteers and is free of charge to attend. Thus, DebConf depends on sponsors and donations. Our sponsorship levels and some of the perks associated with them are:

Due to the global COVID-19 pandemic DebConf20 had to be moved online. There is a risk we will have to do similarly with DebConf21 depending on the global health and travel situation in August 2021. We monitor the situation closely and plan to decide on the physical conference in April 2021.

For more details on this and on sponsoring DebConf21 please see our fundraising brochure:
