10th - 17th September 2023

Infopark Kochi, Kerala, India

DebConf is the annual developers' conference of the Debian Project, one of the largest Free Software projects worldwide. Debian is non-commercial and vendor-independent. DebConf allows developers from all over the world, who all volunteer their time, to gather once a year and concentrate on the development and improvement of the Debian distribution. In 2023, DebConf will be hosted in Kochi, India.
